

0.0 Starting the Atlas

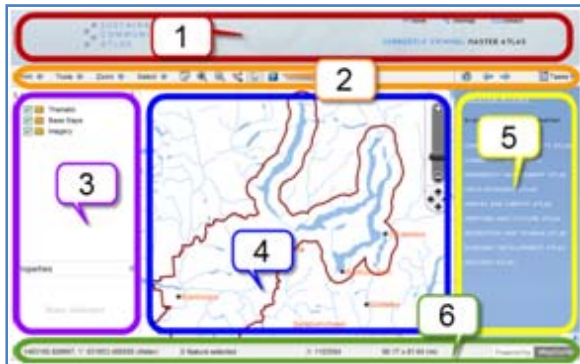

When you open the Kamloops South Thompson Sustainable Community Atlas the opening screen should look like this:

If you have trouble accessing the atlas make sure you are connected to the internet and try again.

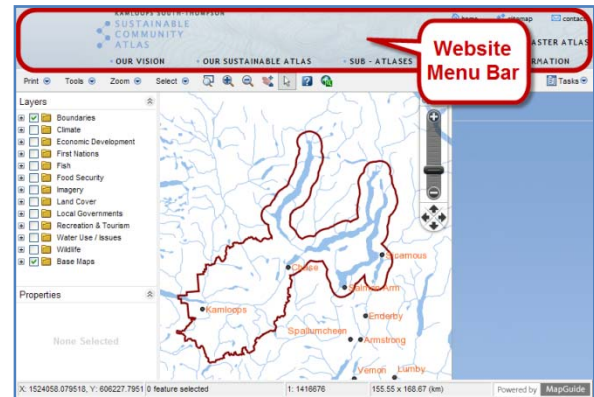

0.1 Parts of the Atlas

The Atlas has 6 main areas on the screen:

- 1- Website Menu bar
- 2- Atlas Tool bar
- 3- Map Layers and Properties panel
- 4- Map window
- 5- Task panel
- 6-Map orientation bar

1.0 The Website menu Bar

Single Left Click on the [links](#) on this bar to visit places which will highlight your Community Atlas website.

Links are icons or text that change color and alter the shape of your mouse cursor when the mouse is moved over them.
